— PROFILE

Life is a story, and storytelling is life.

Everything boils down to stories: they carry emotion, experience, and viewpoints. Telling them has always felt natural to me, whether through writing, screenwriting, film, stand-up, essays or social campaigns. I thrive in teams where ideas bounce freely, and I'm equally comfortable owning a project end-to-end on my own.

— WORK EXPERIENCE

Content Creator · Burt Burlington

Jan 2025 – Present

Create videos, essays, deep-dives and social-media campaigns covering the rapidly growing esports industry.

- Devise informative-yet-engaging content for audiences across age groups
- Build excitement around players, teams, storylines and tournaments
- Research trending topics and stay ahead of fast-moving formats
- Run promotional campaigns and manage special events
- Leverage AI tools to streamline repetitive production tasks

KEY ACHIEVEMENTS

- Grew from 0 to **2,500 subscribers** and **250,000+ views** in under one year
- Founded and run an active community of **100+ like-minded members**

Founder & Project Manager · Burlington Apps

Jan 2020 – Present

Founded a software-development studio with the mission of making everyday life a little more interesting, one app at a time.

- Work across graphic design, animation, programming, finance, film and marketing
- Manage projects from inception to launch
- Creative director for the company website and every product in the catalogue

KEY ACHIEVEMENTS

- Shipped 2 apps to market with a 3rd currently in production

Chef · Konditush "The Breakfast Club"

Aug 2025 – Apr 2026

- Led by example, managed the team and took ownership of daily operations
- Stayed resourceful and composed under high-pressure service

Cook · Koks B.V. Gemert

May 2018 – Aug 2023

- Worked effectively in a team and independently when required
- Learned that presentation is a defining part of the customer experience
